it that Calumet intended to sue EPA for its failure to decide Calumet's small refinery hardship petition by March 13, 2024. ECF 25, at 2. **Not disputed.**

9. The resolution of Calumet's small refinery hardship petitions for compliance years 2018–2022 is uncertain. Declaration of Bruce Fleming ("Decl.") ¶ 7. **Not disputed.**

10. Calumet carries its unresolved RFS compliance obligations on its books as debt. Decl. ¶¶ 16–22. **EPA is unable to admit or deny this allegation. The parties agreed that discovery in this case was not warranted, so EPA has not taken discovery regarding the allegations of this paragraph.**

Decl. ¶22. **EPA is unable to admit or deny this allegation. The parties agreed that discovery in this case was not warranted, so EPA has not taken discovery regarding the allegations of this paragraph.**
